

## COCKTAILS

### **Pornstar Martini**

The seductive flavors of vanilla vodka, Passion fruit pulp and Passoa is shaken with fresh lime juice and sugar syrup. Served with a naughty shot of prosecco on the side.

### **Hendricks and Elderflower Gimlet**

Once considered a gentleman's drink. We have elevated our version with elegant Hendricks Gin and added a touch of femininity with St. Germain.

### **Mojito**

Double shot Bati Rum, lime juice and mint. It's that subtle, sweet something you always wanted to linger over on a warm summer evening.

### **Espresso Martini**

It is rich, indulgent, creamy and the shot of espresso will make sure you keep up with the pack.

### **Mango and Coconut Margarita**

Summer ain't over when you are downing this sumptuous concoction. Really simple mango, coconut, tequila, and lime. What's not to like?

### **Don's Smokey Old Fashioned**

Gospel solera rye whiskey, maple syrup rendered with smoked maple wood and finished with chocolate and orange bitters.

### **Watermelon Sugar**

Vodka & Pavan mixed perfectly with the fruity flavors of watermelon, strawberry & a bit of lime. This cocktail is the perfect balance of sweet and sour.

### **Piña Colada**

Creamy coconut, tropical pineapple juice, lime juice and a good helping of Dark rum. A Carribbean escape in a glass.

## MOCKTAILS

### **Basil and Balsamic Bramble**

Blueberry, basil and balsamic is topped with ginger beer. Taste so good you don't need alcohol.

### **Virgin Amaretto Sours**

One of the classics free from alcohol and Amaretto but taste like the original. Contains orgeat, and egg white for the classic foamy head.
